

NCS LIVE AUCTION CONSIGNMENT FORM – DESCRIPTORS

Item Number: Consecutive numbers starting with “1.” If you remove an item after filling out the form (such as if an item gets broken in transit or sold in-room), just cross it out, but you don’t need to renumber.

Description of Item: Please start item with a descriptor of the type of item it is, taken from the following list, or if not on that list, an appropriate name. Start lots with the word “Lot.” Following the initial descriptive term from the list above, add information on shape, color, motif, etc. If the item is not Noritake, give the backstamp or maker.
